

## IMC Club Meeting

Winter flying presents its own challenges. Flying IFR in winter can be even more challenging.

Bring your experiences and share with other members. Remember that the IMC Clubs are now a part of EAA. Any EAA member can attend.

**Directions:** The Marana Flight School is directly ahead after entering the main gate at Marana Airport. Call 520-877-3201 for a gate code if you do not already have one.
